Voluntary Assisted Dying Act 2019

Implementation Update

Project Team Communique - June 2020

Updated information now available

The voluntary assisted dying website has been updated to include new information releases for both the general community and health service providers (and related care service providers).

The aim is to provide a basic overview of the [Voluntary Assisted Dying Act 2019](#) (the Act) and the implementation being undertaken by the Department of Health.

Information has been provided in a variety of ways to support accessibility and cater to different levels of interest.

Fact sheets

Fact sheets are available to provide a basic overview. The fact sheet for the general community is also available in an audio format.

- [Fact Sheet - General Community \(PDF\)](#)
